

The Take A Stand Committee would like to invite you to participate in our 5th Annual Teen Summit 2019 to be held at Fresno City College on April 13, 2019. The summit entitled "Choices and Consequences" serves as an outreach information source to address teenagers' plight of making wrong choices. It is structured to assist young teens in dealing with issues most relevant to them in today's world. Some of the major issues that will be highlighted include Drug and Gang intervention--prevention, Healthy Lifestyles & Nutrition, Economics, Education, Career planning and more...

Students will begin by attending a panel discussion in the morning, which starts at 10:30am. There will be two separate panels, one for the young men and one for the young women. The workshops will begin in the afternoon, with each student selecting (3) workshop topics they wish to attend. The speakers and workshop sessions will focus on accepting responsibility, enhancing self-confidence, self-esteem and self-worth. Inspiring motivation, encouraging support and opening lines of communication as well as creating and strengthening leadership abilities. Parents are encouraged and welcomed to attend sessions.

The Fresno City College Campus will acquaint the students to the college atmosphere, classrooms and courtyard with a positive campus exposure. Lunch, snacks and plenty of water will be provided. If you have any questions, please contact us at (877)531-8777.
